

**Vitum**

## *Biotyna Vitum*

Biotyna Vitum is a dietary supplement that contains 2,5 mg of biotin per tablet.

The preparation is recommended for adults to supplement their diet with biotin.

Benefits:

- 2,5 mg of biotin in a daily dose (5000 % RWS)
- Box of 180 or 60 tablets
- Economical, large packages
- Small easy to swallow tablets

**Biotin** helps maintain healthy hair and skin and helps maintain the proper condition of mucous membranes. In addition, biotin contributes to the maintenance of proper energy metabolism and the metabolism of macronutrients.

Biotin also helps in the proper functioning of the nervous system and in maintaining proper psychological functions.

**Application** : the preparation is recommended for adults to supplement their diet with biotin.

**Recommended consumption** : adults – 1 tablet a day.

Do not exceed the recommended daily dose. Dietary supplements cannot be used as a substitute (replacement) for a varied diet. Maintaining proper health requires a varied diet and a healthy lifestyle.

**Ingredients:** binding agent: sorbitols, anti-caking agent: magnesium salts of fatty acids, D-biotin,  
anti-caking agent: dioxide silicon.

**Storage:** store at room temperature in a dry and dark place. Dietary supplements should be stored out of reach of small children.
