

## *Blackcurrant Juice 100%*

**Blackcurrant Juice 100%** (*Ribes nigrum*) has a taste and smell characteristic of ripe blackcurrant fruits and a dark purple color. It is characterized by a high content of vitamin C, which helps in the proper functioning of the immune and nervous system, contributes to the reduction of fatigue and helps to protect cells from oxidative stress.

The juice is worth drinking both in autumn-winter and in summer as an excellent ingredient in refreshing drinks and cocktails. Maintaining a healthy state of health requires balanced nutrition and leading a healthy lifestyle.

## *NFC Juice*

The Juices of the World series is 100% directly squeezed and not played back from concentrate, so the nfc mark – Not From Concentrate/ not concentrated juice is proudly on the packaging.

## *No added sugar*

The juice is not additionally sweetened, which means that it is characterized by a level of sweetness occurring naturally in the fruit.

## *Why choose our juice?*

### **No preservatives**

The juice does not contain preservatives, so after opening, store the bottle in the refrigerator according to the information on the label.

### **No dyes**

After spilling into a glass, each juice has an NFC-specific colour.

### **Pasteurized**

The juice is pasteurized to extend its shelf life – a safe method to keep it fresh.

### **Safety stopper in the neck of the bottle**

The cork in the neck of the bottle prevents the juice from overflowing after it is tilted – this allows more precise pouring into the glass.

## **Dark glass bottles**

Juices in glass packaging are valued for retaining freshness, taste and aroma for a long time, and the dark color of the glass protects the content from light access, which can negatively affect its value.

## **Wide selection of flavours**

Our offer includes 19 selected flavors of fruit juices from all over the world – from a duo of lemon and ginger, whose fruits in many homes are used to build immunity to sea buckthorn called The Gold of Siberia by a wealth of nutritional values.

## ***Ingredients***
