

C-Vitum

C-Vitum capsules, 1000 mg

Dietary supplement

High vitamin C content in one capsule

The **C-Vitum dietary supplement** contains as much as 1000 mg of L-ascorbic acid in

one capsule, which gives 1250% of the daily requirement for vitamin C.

Vitamin C helps in the proper functioning of the immune and nervous systems. It also protects cells against oxidative stress and the proper production of collagen to ensure the proper functioning of the skin, bones, cartilage, teeth and gums. In addition, Vitamin C contributes to the reduction of tiredness and fatigue and to maintaining proper energy metabolism.

Application

The preparation is recommended for adults to supplement their diet with vitamin C.

Recommended intake

Adults – 1 capsule daily with a meal.

Do not exceed the recommended daily dose. Dietary supplements cannot be used as a substitute (replacement) for a varied diet. Maintaining proper health requires a balanced diet and a healthy lifestyle.
