

D-Rutin CC

Vitamin D, vitamin C and zinc help in the proper functioning of the immune system. In addition, vitamin C contributes to the reduction of tiredness and weariness. Zinc helps to protect cells from oxidative stress. Additionally, the vitamin D contained in the composition helps to maintain healthy bones and teeth.

Application: The preparation is intended for adults in order to support the proper functioning of the immune system.

Recommended consumption: adults – 1 capsule daily. Do not exceed the

recommended daily dose. Dietary supplements cannot be used as a substitute (replacement) for a varied diet. Maintaining proper health requires a balanced diet and a healthy lifestyle.
