

Destresan

Destresan Max

DESTRESAN MAX is a unique product containing a blend of plant extracts: lemon balm leaf extract and Arctic root extract with magnesium and vitamin B 6 . Lemon balm contributes to maintaining a relaxed state and calm. It also contributes to well-being and a bright mood throughout the day. Arctic root contributes to overcoming

emotional stress and nervous tension. Magnesium and vitamin B 6 contribute to normal functioning of the nervous system and to normal psychological function.

INTENDED USE: product is recommended for people struggling with overcoming stress, for the overworked and for people who experience anxiety and nervous tension.

RECOMMENDED USE: adults – 1 capsule a day. Do not exceed the recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet. Maintaining normal health requires a varied and balanced diet and a healthy lifestyle.

INGREDIENTS: lemon balm (*Melissa officinalis*) leaf extract, magnesium oxide, gelatin (shell ingredient), Arctic root (*Rhodiola rosea*) extract, bulking agent: cellulose, anti-caking agent: magnesium salts of fatty acids, anti-caking agent: silicon dioxide, colour: titanium dioxide, pyridoxine hydrochloride, colour: indigo carmine.
