

**Vitum**

*E-Vitum*

*The E-Vitum dietary supplement is recommended for adults to supplement their diet with vitamin E.*

**Vitamin E** helps to protect cells against oxidative stress. As an antioxidant (antioxidant), vitamin E reacts with active oxygen species such as radicals, neutralizing them before they damage cell structures.

## *Application*

The preparation is recommended for adults to supplement their diet with vitamin E.

## *Recommended intake*

Adults – 1 capsule daily with a meal.

Do not exceed the recommended daily dose. Dietary supplements cannot be used as a substitute (replacement) for a varied diet. Maintaining proper health requires a balanced diet and a healthy lifestyle.

## *Ingredients*

Flax seed oil (*Linum usitatissimum*) cold pressed, DL-alpha-tocopheryl acetate, gelatin (shell component), humectant: glycerol.

## *The daily dose (1 capsule) contains:*

180 mg of vitamin E (200 IU, 1500% nutrient reference value.)

## *Storage*

Store at room temperature in a dry and dark place. Dietary supplements should be stored out of the reach of small children.

***Pack:***

- 60 capsules
