

E-Vitum

The E-Vitum dietary supplement is recommended for adults to supplement their diet with vitamin E.

Vitamin E helps to protect cells against oxidative stress. As an antioxidant (antioxidant), vitamin E reacts with active oxygen species such as radicals, neutralizing them before they damage cell structures.

Application

The preparation is recommended for adults to supplement their diet with vitamin E.

Recommended intake

Adults – 1 capsule daily with a meal.

Do not exceed the recommended daily dose. Dietary supplements cannot be used as a substitute (replacement) for a varied diet. Maintaining proper health requires a balanced diet and a healthy lifestyle.

Ingredients

Flax seed oil (*Linum usitatissimum*) cold pressed, DL-alpha-tocopheryl acetate, gelatin (shell component), humectant: glycerol.

The daily dose (1 capsule) contains:

180 mg of vitamin E (200 IU, 1500% nutrient reference value.)

Storage

Store at room temperature in a dry and dark place. Dietary supplements should be stored out of the reach of small children.

Pack:

• 60 capsules
