

Nettle Juice

Product contains an extract of young part plants of a common nettle (*Urtica dioica*). Common nettle contributes to the normal function of locomotor system and to the venous circulation. It also has a diuretic effect through enhancing renal water excretion. Maintaining normal health requires a varied and balanced diet and a

healthy lifestyle.

SUGGESTED USE: 50 ml of the product once a day, before or during a meal. The product may be consumed after diluting it with water or another fruit juice.

INGREDIENTS: extract of young part plants of a common nettle (*Urtica dioica*) – 50%, water, acidity regulator: citric acid.

NUTRITION DECLARATION – 100 ml of product:

Energy value – 36 kJ/9 kcal,

Fat – 0 g, of which saturates – 0 g,

Carbohydrate – 1,2 g, of which sugars – 0,3 g,

Fibre – 0,5 g,

Protein – 0,5 g,

Salt – 0 g.

STORAGE CONDITIONS: store in room temperature. After opening store in a refrigerator and consume within 10 days.

NOTE! Product may slightly differ in colour and taste batch to batch. A natural sediment may form. Shake well before consumption.
