

Raspberry with Linden Juice

Food supplement | Pasteurised

The product contains juice directly extracted from red raspberry (*Rubus idaeus*) fruits and linden (*Tilia cordata*) flower extract. Linden flower extract has antioxidant properties, thus it contributes to the protection of cells from harmful effects of free

radicals. It contributes to the normal function of the immune system and respiratory system as well as to the renal water excretion. It has a beneficial effect on relaxation efficiency and calming down of the body. It contributes to unwinding and rest, helping to maintain well-being.

CHOOSE JUICES OF THE WORLD

Juices of the World are a perfect addition to a varied and balanced daily diet. Our juices come with no added sugar and only contain naturally-occurring sugars.

RASPBERRY WITH LINDEN

Red raspberry (*Rubus idaeus*) fruit juice 99.8%, linden (*Tilia cordata*) flower extract 0.2%.

DIRECTLY EXTRACTED

Juices of the World are directly extracted rather than reconstituted from concentrates.

INTENDED USE:

the product is recommended for children aged 12 or more and adults to supplement their daily diet, especially during the fall-winter season and around spring solstice.

RECOMENDED USE:

Children aged 12 or more: 25 ml, adults: 50 ml daily. Do not exceed the recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet. Maintaining normal health requires a varied and balanced

diet and a healthy lifestyle.
